

HKNOG

Hong Kong

Network Operators' Group

Our 7th Events

9th Sept 2016

Formation of HKNOG

- For Network Operators (local, regional or global) having presence in HK
 - Have ASN(s) and portable IP addresses
- For technical and half-technical people based in HK
 - To exchange knowledge and information
 - Best practices, new trends and so on
 - To enhance overall quality of Internet infrastructure
 - Performance, security, stability and so on
 - To help do trouble-shooting and solve problems together when needed
- Topics to cover
 - Anything related to technical and operational issues faced by network operators
- Not for sales and marketing
 - No sales talks
 - Be as neutral as possible

Possible Format & Activities

- **Low cost / Grass-root operations**
- Mini-events
 - Half day max, once every 2-4 months
 - Need good speakers, local or overseas
- Annual events
 - ≥ 1 day (with or without workshops)
- Language
 - English (or Cantonese if all attendees are Cantonese-speaking)
 - Keep it simple and small, at least initially
