

HKNOG 11.0

Sponsorship Proposal

About HKNOG

HKNOG (Hong Kong Network Operator's Group) provides a forum for key Internet builders in Hong Kong to learn from their peers and other leaders in the Internet community from around the world.

HKNOG is not for profit and run by a group of volunteers as a special interest group of Hong Kong Internet Service Providers HKISPA.

Event Description

HKNOG targets to host 2 conferences per year in Hong Kong to share Internet technology case studies, with opportunities for training and professional networking.

Prior to HKNOG 11.0, we have organized 15 events as follows, with a variety of local and international speakers, and support from our generous sponsors

HKNOG 11.0 is being planned for 14th October, 2022 as a full day physical event. Owing to the COVID social distancing requirement, we are expecting around 100 attendees from 40+ Organizations to join this event.

The majority of HKNOG Conference attendees are key technical operations personnel from ISPs, but attendees also include participants from:

- Data centres
- Internet Exchange Points
- Content providers
- Hosting providers
- Commercial Internet industry organizations
- Research and educational institutions
- Government departments

- Local Internet Registries (LIRs)
- Domain Registrars and Registries

This is a good opportunity to market your product or services to the core of the Internet market.
